A Presentation Of Life At Wilson

The 1968 *Hornet's Nest* has attempted to portray the progress of events throughout a year at Wilson Memorial High School. Each year a student spends at Wilson will bring fond memories in years to come. We hope we have recalled in this publication some significant event for you - a game in which you participated, an election you won, a class in which you performed, a class which you enjoyed, a friendship you developed, a special event for you, a moment to remember - which will never let you forget WMHS. We have gone into every phase of academic and student life to bring you a complete, vivid, and real portrait of our LIFE AT WILSON.

MUSIC DEPARTMENT FUN. . . Jerry Fretwell and Ronnie Brower work at sanding the piano. Are James Woodson and Lewis studying?

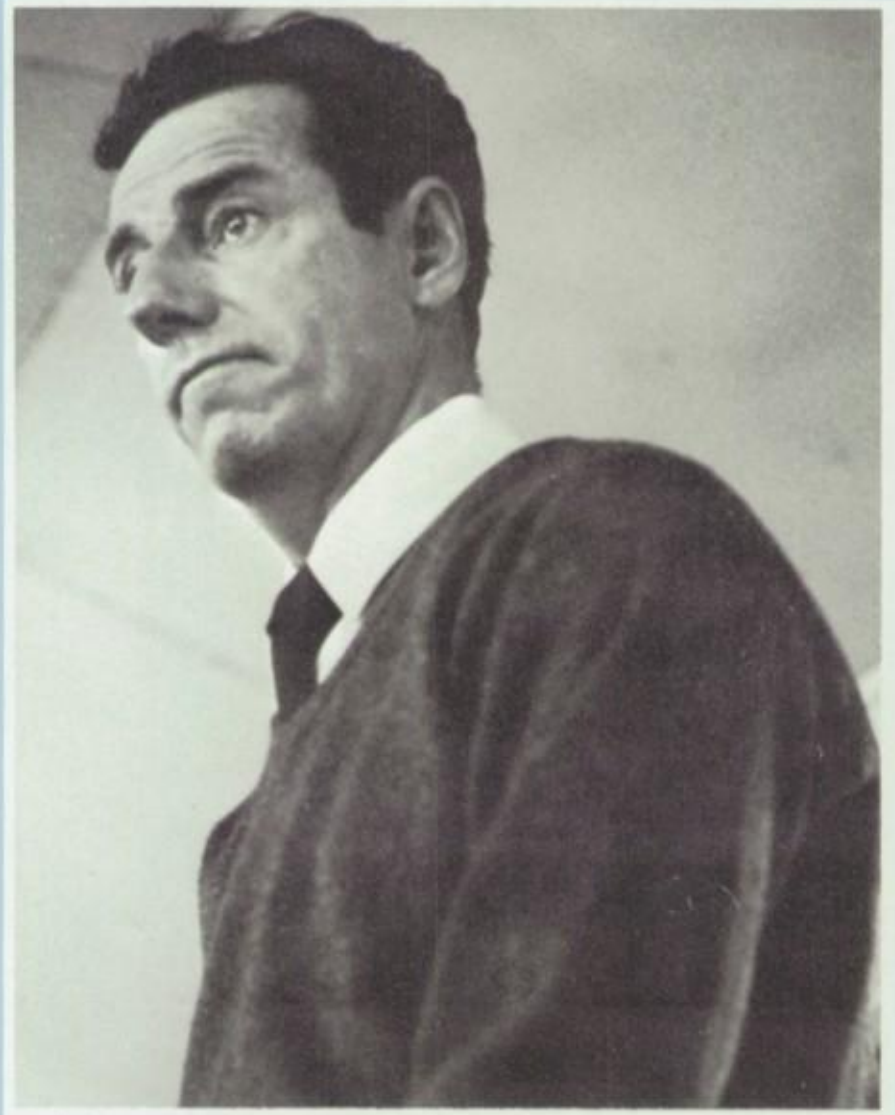

THE LIBRARY, CENTER OF LEARNING. . . Linda Enger, Sandra Bryan, Judy LeMaster, and Gloria Harner eagerly chat about their next book report.

Music Makes His World Go Round

The 1968 Hornet's Nest pays tribute to one who has done much for Wilson in four brief years. His departmental achievements are as well known publicly as in the school. An innovator, he organized the Singing Sergeants and wrote the words for the new school song.

Although relating primarily to the choral members, he is beloved by the entire student body. His flow of cheerful comments, his quick smile, and Scottish zest play a big part in creating a friendly atmosphere at Wilson. His love of music is equaled only by his genuine interest in students.

MUSICAL MUSING. . .Mr. Sergeant reflects on a hectic Friday's choral rehearsal.

Dedication

DO, ME, SOL. . .In preparation for the Christmas program, Mr. Sergeant coaxes the first few notes from the Singing Sergeants during a lively tune up session.

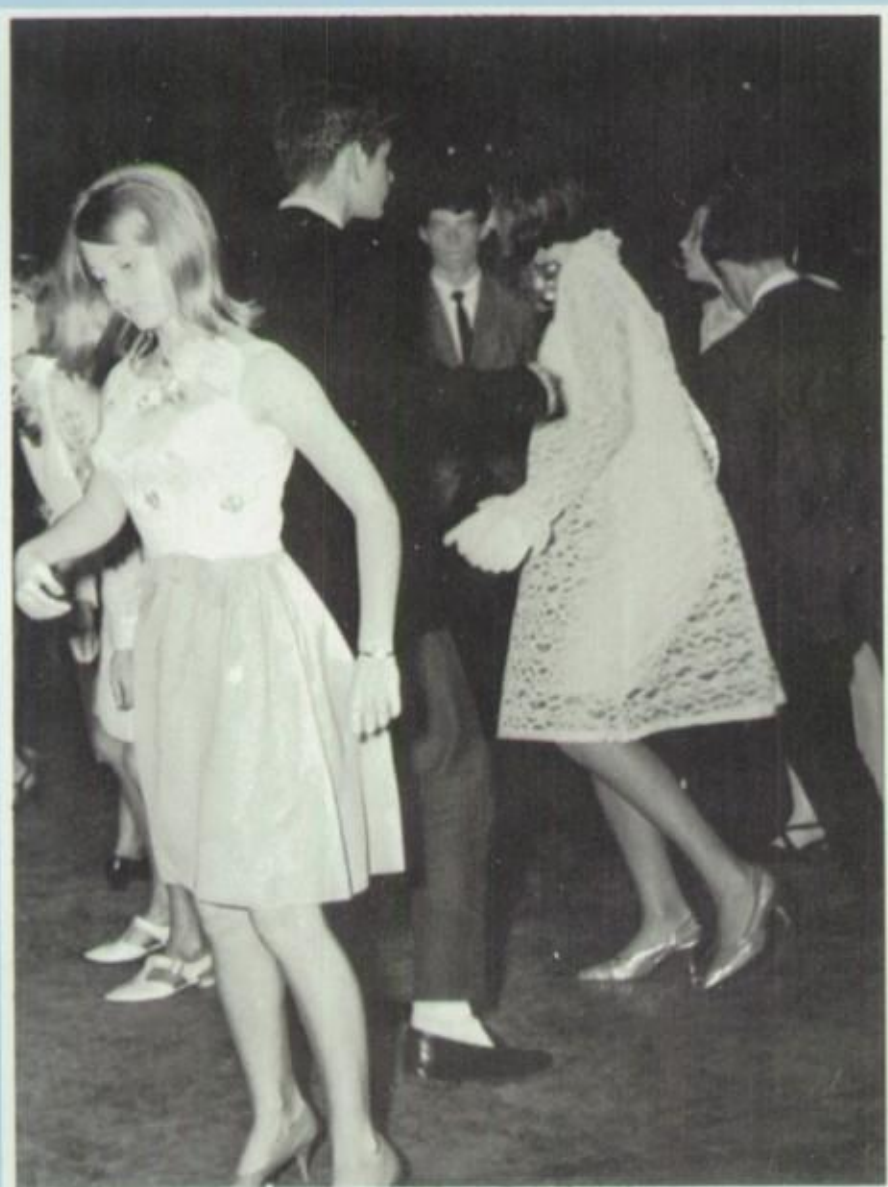

Campus Life

Mistletoe And Holly Are Fun And Folly

THE IMPALAS STRIKE A LIVELY NOTE. . .Two Wilson seniors, Danny Southard and Mark Hanger, play with the group.

Debbie Crace and Melinda Hodge face the camera.

LOVELY LADIES-IN-WAITING. . .Brenda Bosserman and Jo Ann Faulk deck the halls in their medieval headdress as they serve the wassail to the guests.

At The Christmas Dance

Lord and Lady of the Medieval Manor, Anna Alexander and Charles Caldwell, reign over the festivities at "Ye Olde Holly Ball" on December 21st.

Dances are much a part of the social life at Wilson. The Junior-Senior Prom is always a thrill. Last year's prom was in an English garden setting, held at the Holiday Inn in Staunton. The Chancellors of Charlottesville played for the dance. The formal garden setting was beautiful. The Harvest Ball, an annual affair sponsored by the FHA, honored the Homecoming Queen and her court. The Stepping Stones furnished the music. The SCA's Christmas Ball featured the Impalas. The gymnasium was very effectively transformed into a medieval castle. The throne for the Lord and Lady of the Manor was centered on the stage in the middle of the curtains pulled back and edged with silver garlands and lights. The hanging candelabra and the big Christmas tree in the center of the dance floor added much to the festive night.

SHALL WE SIT THIS ONE OUT? . . . Gary Sumner and Sara Morris aren't quite sure which one will win. Treva Arehart and Ernie Meyer don't seem to care one way or the other. Danny Kiracofe and date silently watch the crowd.

Assemblies Accent Year Fun-Awards-Campaigns

Student assemblies meant fun, awards and campaigns this year. The first all school assembly gave our newly elected S. C. A. officers a chance to introduce themselves. For the first time Wilson students heard a concert pianist, William Hacker.

The longest assembly of the year was the awards assembly. Credit was given to deserving students in both academic and sport fields.

S. C. A. Elections proved to provide amusement for all the students at Wilson. The students also had a chance to be introduced to the people campaigning for the offices of next years S. C. A.

Miss Johnson explains career night to listening Juniors.

Joe campaigns for Carter as she watches with astonishment.

Students were given a chance to meet new and old teachers at the first all school assembly.

Did Larry's hand slip while taking this picture of last year's S. C. A. elections or did his eyes roam?

The guest pianist and the student body pose as Larry snaps a photo at the concert presented by Mr. William Hacker.

Enthusiastic spectators watch the game. BELOW: Carter and Buddy prepare to walk across the field. Robbie takes her last ride around the field as reigning Homecoming Queen.

Memories Make Hearts Grow Fonder

Kitty gives Ann and Larry some last minute details.

Homecoming Night

Wilson Homecoming was held during half time of the Wilson vs Fort Defiance game October 20th. As the band began a gay rendition of "The Girl Watchers Theme" the 1967 Homecoming Court, with the cheerleaders in the lead, started its traditional ride around the field.

Homecoming queen was Ann Stewart and Buddy Bosserman was king. Senior attendants - Carter Moffett and Larry Baldwin; Junior attendants - Sandy Keiser and John Davis; Tenth - Mary Kay Ross and R. E. Sheets; Ninth - Lisa Hanger and Porter Stewart; Eighth - Joan Daughtry and Mike Chauncey.

Mr. Hill enthusiastically leads the band in the "Girl Watchers Theme".

Hustle And Bustle From Beginning To End

Sleepy students board their buses, beginning the long day of school. After arriving, they pace the corridors and walks, heading for various destinations before beginning the drudgery of the daily schedule. Lunch period brings relief for the starving at Wilson whether by eating in the cafeteria or snacking in the Social Center. At 3:10 shouts of "It's all over for Today!" are heard as students rush to their buses, ending a typical day in the life of a Wilsonian. The hustle and bustle of each day becomes a part of life.

"I gotta go to the office this morning" is a frequent cry of students such as John Greene.

May I Have your Attention for Announcements . . . Daily announcements begin Homeroom by amusing and informing.

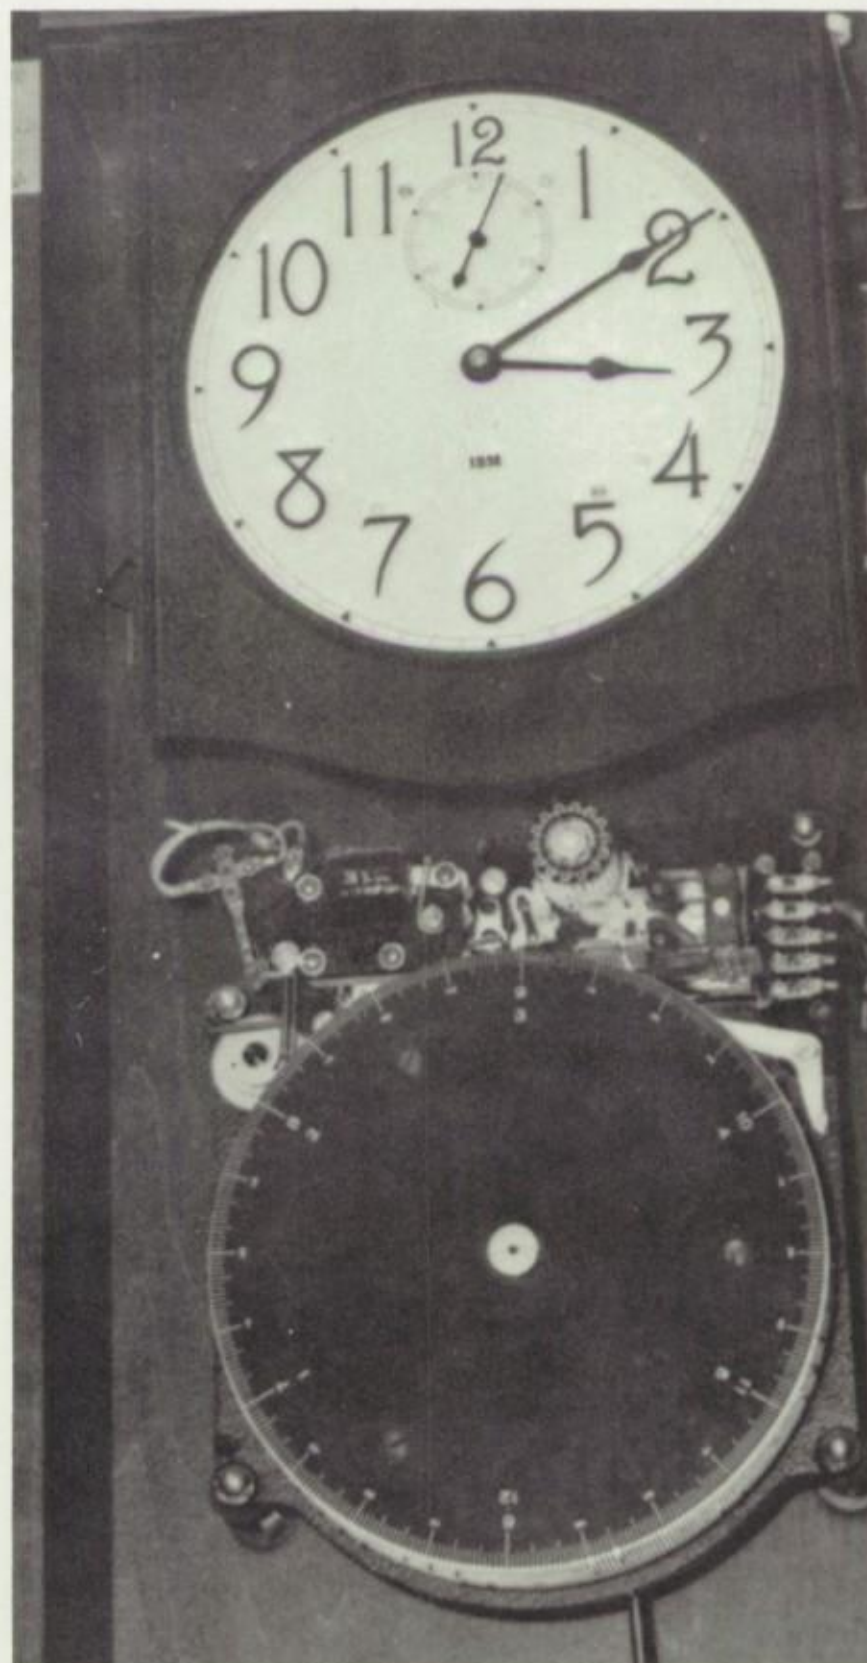

All Aboard At Stuarts Draft . . . Tom Kanagy, James Corell, Eric Martin, and Gayle Coffey board 99 and they're off!

3:10 For Students It's Over For Today

Whether in the morning or at lunch a stroll around the WM halls and walkways is not unusual.

"HURRY UP"...Students urge as the pangs of hunger pass through their bodies upon entering the door.

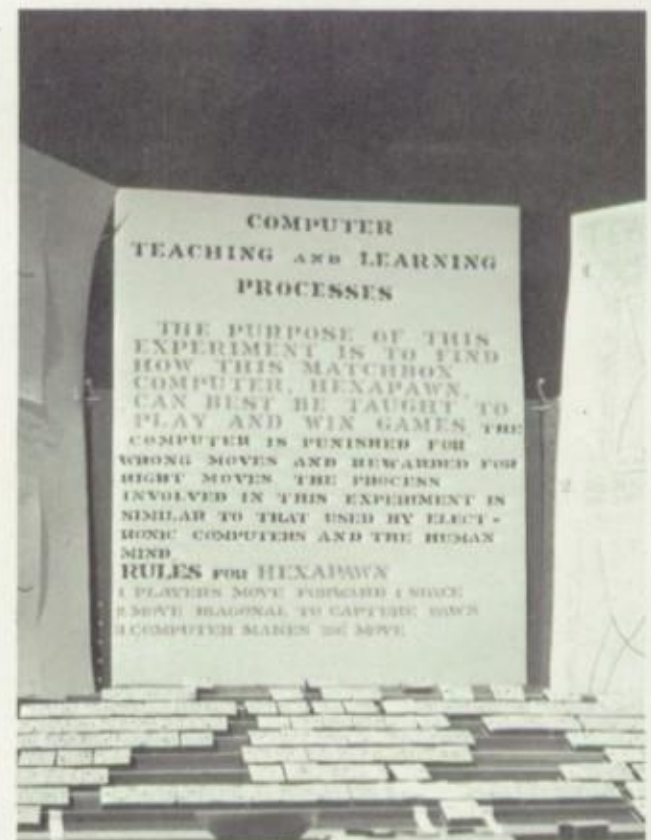

3:10 and It's All Over..School is out and the fun begins for students who anxiously anticipate this moment.

The Keyette Club at Wilson was formed this year in order to serve school and community, develop incentive and leadership, provide experience in living and working together, and prepare for useful citizenships. Principal Earl R. Savage and Assistant Principal Charles A. Hiner labored to organize school life by supervising school policy, announcing school activities, and setting up daily schedules besides taking care of other innumerable details. Their job was not an easy one. Their firm policies and watchful eyes kept many in line that otherwise would have been detrimental in some way to the image of Wilson Memorial.

As Athletic Director Mr. Hiner paved the way for Wilson's representatives of its students in competitive sports.

DON'T YOU SEE MY POINT? . . . In amused conversation Mr. Savage and Mr. Moffett discuss an agricultural problem. As Wilson's Principal Mr. Savage has to fulfill all the department needs and must administer to the student body.

Office Personnel Prove To Be Invaluable

Miss Louise Diehl and Mrs. Eunice Shanks were indispensable in directing school business. Their duties were many, to be sure. Administration, teachers, and students relied on these two dependable persons, expecting them to have all the answers. And what's more, they usually did. Perhaps their days would have been nicer if so many Wilson students were not habitually late to classes. Early dismissals and tardy excuses all came from these two. Club treasurers and sponsors worked closely with them. Their services were always readily available and given.

Wilson's office has received much new equipment for copying educational matter. This machine is the latest addition.

Miss Diehl and Mrs. Shanks have evidently agreed to let David leave.

English Dept. Goal—Communication

Reading, thinking, speaking, listening, and writing, arts of communication, are the skills stressed by the English department. A wide acquaintance with the literatures of the world is also stressed by this department.

Five years of English are required for graduation. The two elective courses, Advanced Composition and Creative English, further develop writing skills and creativity. These courses teach students the more technical arts of English writing and composition.

Learn To Appreciate The Great Writers

The English curriculum consists of three divisions, the academic, the general, and the vocational. The academic curriculum includes the skills required of persons preparing for college. The functional English needed by persons who will be required to read simple directions is offered in general English. The vocational English fits the needs of the average student.

The Library Links Students With Books

Silence helps set the atmosphere of concentration as student enter the quiet world of the library

The growing library of Wilson Memorial presently houses 8,600 books, approximately 650 of them newly added this year. Mrs. Frances Flora and her student helpers aid in keeping the students of Wilson well informed with periodicals, daily newspapers and reference materials.

For those students who desire further references, the Augusta County Library, also housed in our buildings, offers its services.

Language Dept. Is International Bond

Mr. Love, Cindy Moupin, and Doug Sigman study Spanish II

The art of communicating a foreign language is the present goal of the language department at Wilson. Presently four years of French are offered, two years of Spanish, and three years Latin, with Third Year Latin initiated this year. Headphones and microphones became a common sight to the fortunate French students. Foreign language teachers attempt to conduct their classes entirely in the language. Overlooking the reoccurring remark of "Oh, you know what I mean!", this procedure has been a success. The philosophy of a spoken language, not merely translated, is more helpful.

HEc And Ag Do Much For Leaders

The Home Economics Department of Wilson provides for their girls a better understanding of the future that lies ahead. Basic fundamentals of cooking, sewing, nursing, personal grooming, and house cleaning are goals of this department.

Agriculture trains the student in the areas of agriculture he is likely to experience. Taught in the classes is the necessary knowledge concerning growing and harvesting crops.

These departments hope to help the Wilson student prepare himself for the future ahead.

Industrial Arts is a subject devoted to the study of industrial technology, including its origin and development. The study includes its technical, occupational, recreational, social, and cultural nature.

The main objectives are to acquaint the student with his technological environment and to help him discover and develop his own human potential. These objectives are accomplished through activities involving work with industrial processes and products.

Sad Seniors Reflect On Last 5 Years

Seniors did not coast through this their final year, but strived to maintain acceptable grades for their future careers and colleges. Front row seats, July ring delivery, and the Jr.-Sr. Prom were privileges given the Class of '68. Planning such activities as the play and commencement occupied much of the seniors' spare time. The emotions of graduation affected these seniors as they paced the WMHS halls in May.

SENIOR CLASS OFFICERS . . . Reporter Dana Fox, Secretary Kay Gentry, and V. President Carolyn Micklem discuss some senior business. During the year the officers planned senior activities.

A part of senior life at Wilson Memorial has enhanced the smoke stack. The daring seniors of 1967 started a tradition so it seems. Any suggestions for the class of 1969?

In searching for clues to solve the murder surprised Hercules manages to stammer, "Wilbur, I've found something in the magnifying glass. It's horrible looking with shaggy hair and long teeth." Perceptive Wilbur corrects Hercules' hasty deduction saying, "Stupid, that's a mirror!"

Realizing that someone is in bed with him, frightened Wilbur leaps into Herc's shivering arms.

Hercules Nelson's aunt and uncle never realized that one weekend could be such turmoil until Hercules and his pal Wilbur came to visit the newly established Nelson funeral home. Never have two done so much to confuse so many.

Juniors Anticipate Senior Dilemma By Investigating Careers

ASSEMBLY of FACES . . . At an Oct. assembly, Juniors, eager and otherwise, soak up details on College-Career Night. They met with armed forces and college representatives as well as personnel from nursing, technical, and business schools.

As sophomores the class of '70 learned what it meant to be on the middle rung of the scholastic ladder. Now of varsity age, they envy seniors and scoff eighth-graders.

This year they began increasing their treasury to get a headstart on Prom fun and plans. At this varsity age, the entire student body has noticed their active participation in all sports.

CLASS OFFICERS . . . Warren Koiner, V.-President, Treva Arehart, Secretary, Steve Troxell, President, and Pete McCoy, Treasurer.

Freshmen Begin Year With Self-Assurance

After a year of being new at Wilson Memorial the freshmen entered their second year with more self-confidence. A year ago things had been strange. This year they faced math, English, science, and social

studies with a determination and a realization of the importance of grades. They began to receive recognition by being elected to positions and by participating in more extra-curricular activities.

Hornets Rebuild With Fighting Spirit

Armed with eight returning lettermen and great competitive spirit, Coach Joe Zapotoczny did an outstanding job in guiding the team to a 4-6 finish. The record would have been even better if the varsity had not been riddled with injuries. Regulars Jerry Knueppel, Val Gochenour and Bubby Thompson were out most of the season.

Although the Hornet team was probably the lightest and smallest in recent years, they nonetheless turned in a fine performance. James River, Buffalo Gap, Rockbridge and Riverheads fell victims to the Green Hornets. The team lost to Albemarle, Clifton Forge, Waynesboro, Ft. Defiance, Alleghany and Lee.

Coach "Zap" discusses strategy with the fighting Hornets Steve Cash, Val Gochenour, and Jerry Fisher during a practice session.

Wilson's Green Hornets

HEY, WHERE IS EVERYBODY? Steve Troxell looks around with wonderment.

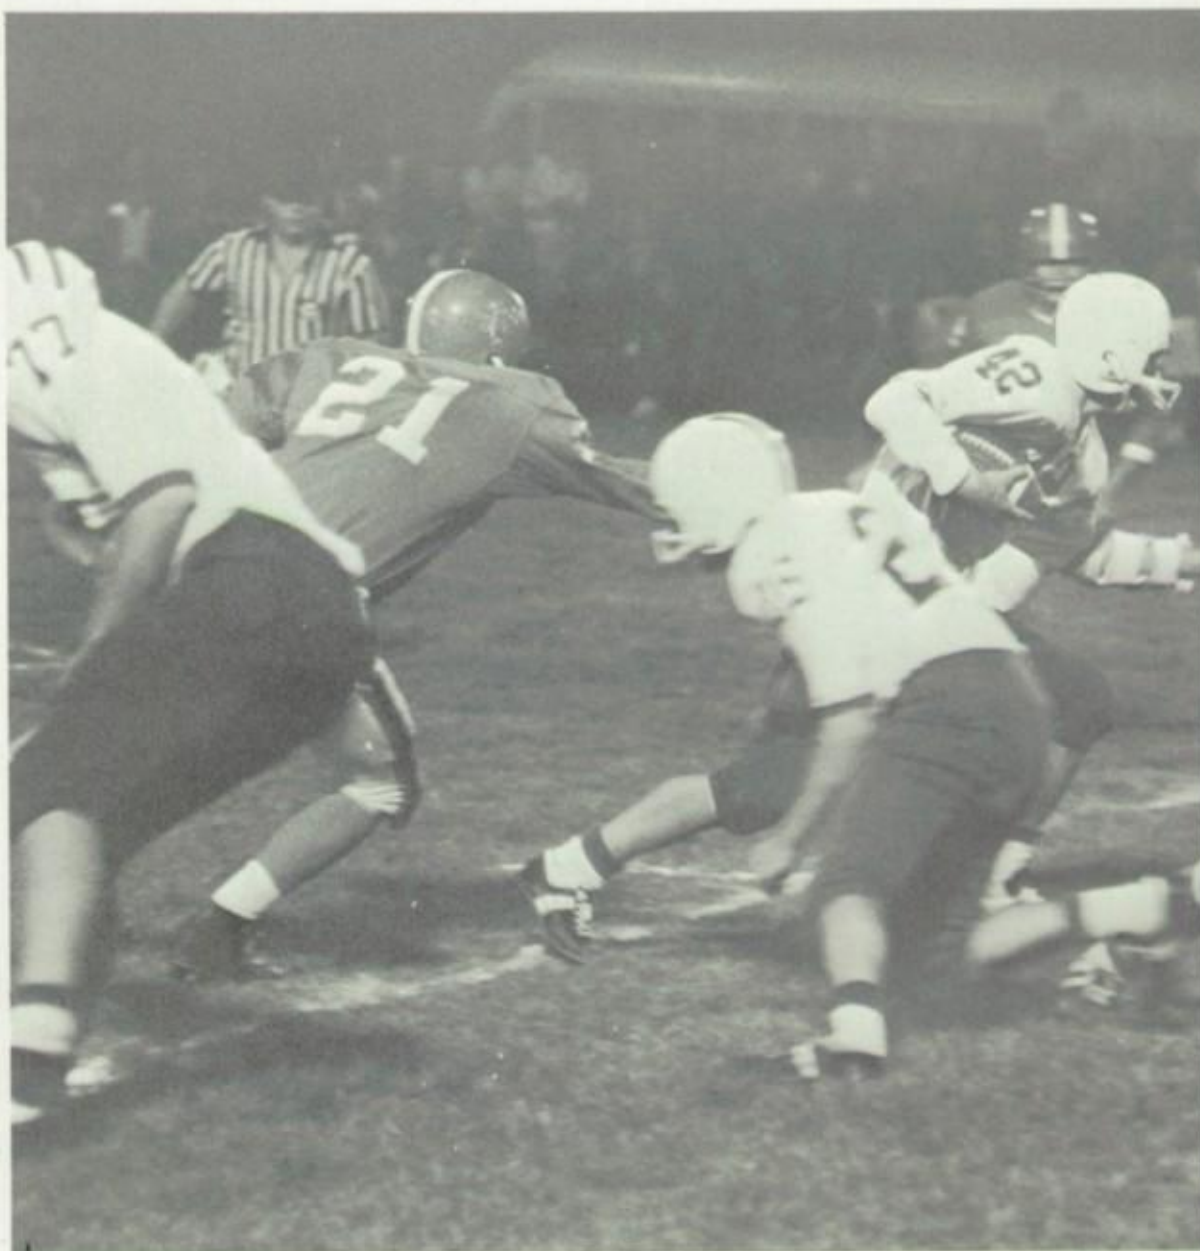

OUT OF MY WAY EVERYBODY, I'M COMING THROUGH!! Val Gochenour carries the ball during the Riverheads-vs- Wilson football game. Val served his school and his team extremely well this football season.

One of Wilson's toughest opponents this year was archrival Waynesboro. The Little Giants stunned the Green Hornets 54-6. At this home game, Wilson was able to contain the Waynesboro offense only in the first quarter. The Little Giants gained a 7-0 lead in the first quarter, but the Hornets came back with a 36 yard touchdown drive capped by Jerry Fisher's off-tackle

plunge for the score. Going into the second quarter with a 7-6 lead the Giants became the lone scorers in the surprising football game.

In contrast to their losing effort against Waynesboro, the Hornets jolted visiting Riverheads 27-7.

Wilson's first score came in the opening quarter when Val Gochenour ran 76 yards for a touchdown.

Tangle With Neighboring Rivals

HE'S OVER!!! PAY DIRT!!! Jerry Fisher scores against the Little Giants. Four fellow teammates watch, Mike Hewitt, Steve Cash, Marlin Hewitt, and Ronnie Zimmerman.

Sam Simpkins and Steve Troxell shared the quarterbacking during the game. Troxell directed the first drive and threw a scoring bomb to Marlin Hewitt for the second score. Simpkins scored the last two touchdowns on runs of 25 and 14 yards. The Green Hornets victory was aided by the powerful running of Jerry Kneueppel and the defensive play of Greg McCauley.

Indians Prove Too Much For "Big Green"

The Fort Defiance Indians swept the Hornets from second place in District 5 on October 28. The Hornets never recovered from the Indian's first quarter attack, which resulted in three quick scores. The Wilson squad tried vainly for the rest of the night to stop the mighty Fort Defiance attack. At halftime, the scoreboard showed a 27-0 Green Hornet defeat.

FT. DEFIANCE TAKE PENALTY OR DOWN? Ronnie Zimmerman and Val Goche-nour anxiously await the decision of Ft. Defiance's captain as he chats with the referee.

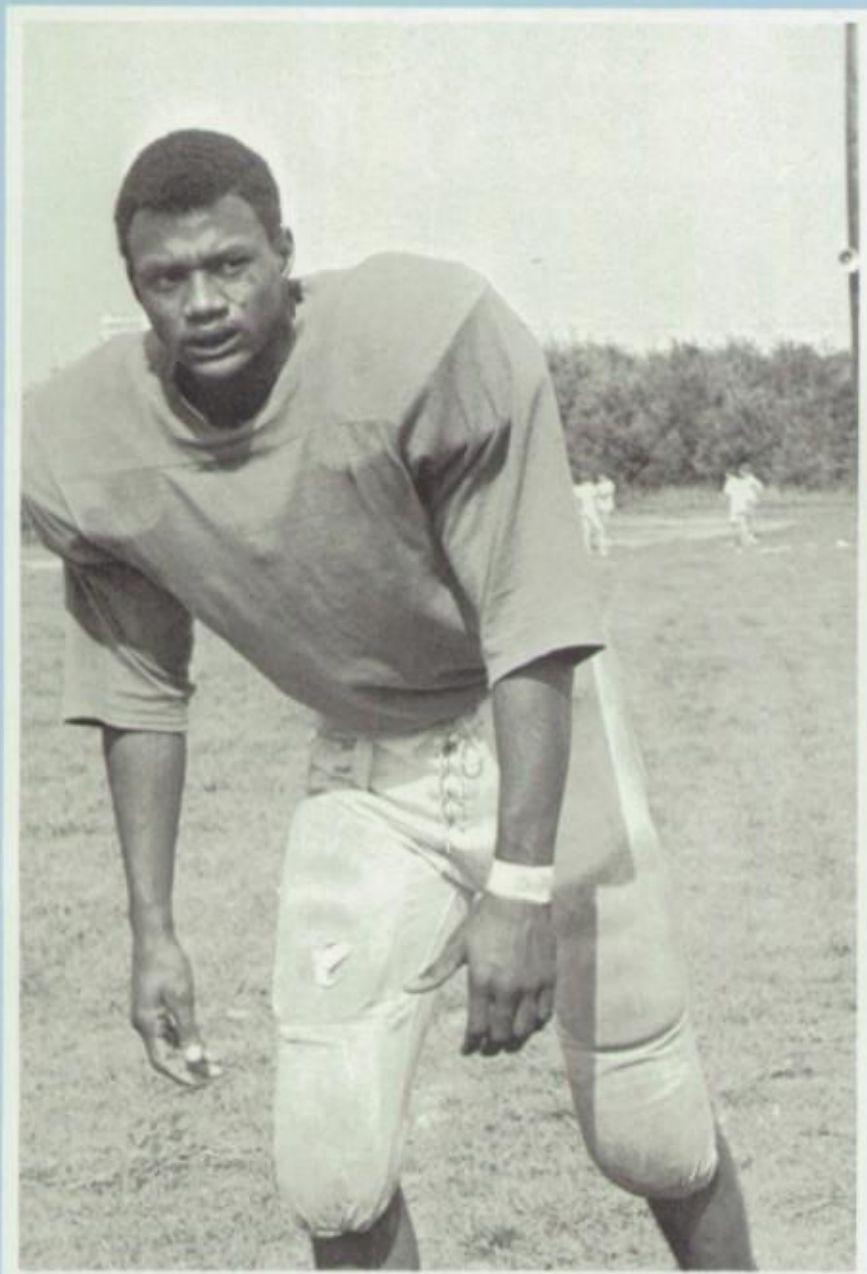

P. Parks helps Steve Troxell in practice.

Green Hornets in daily practice session.

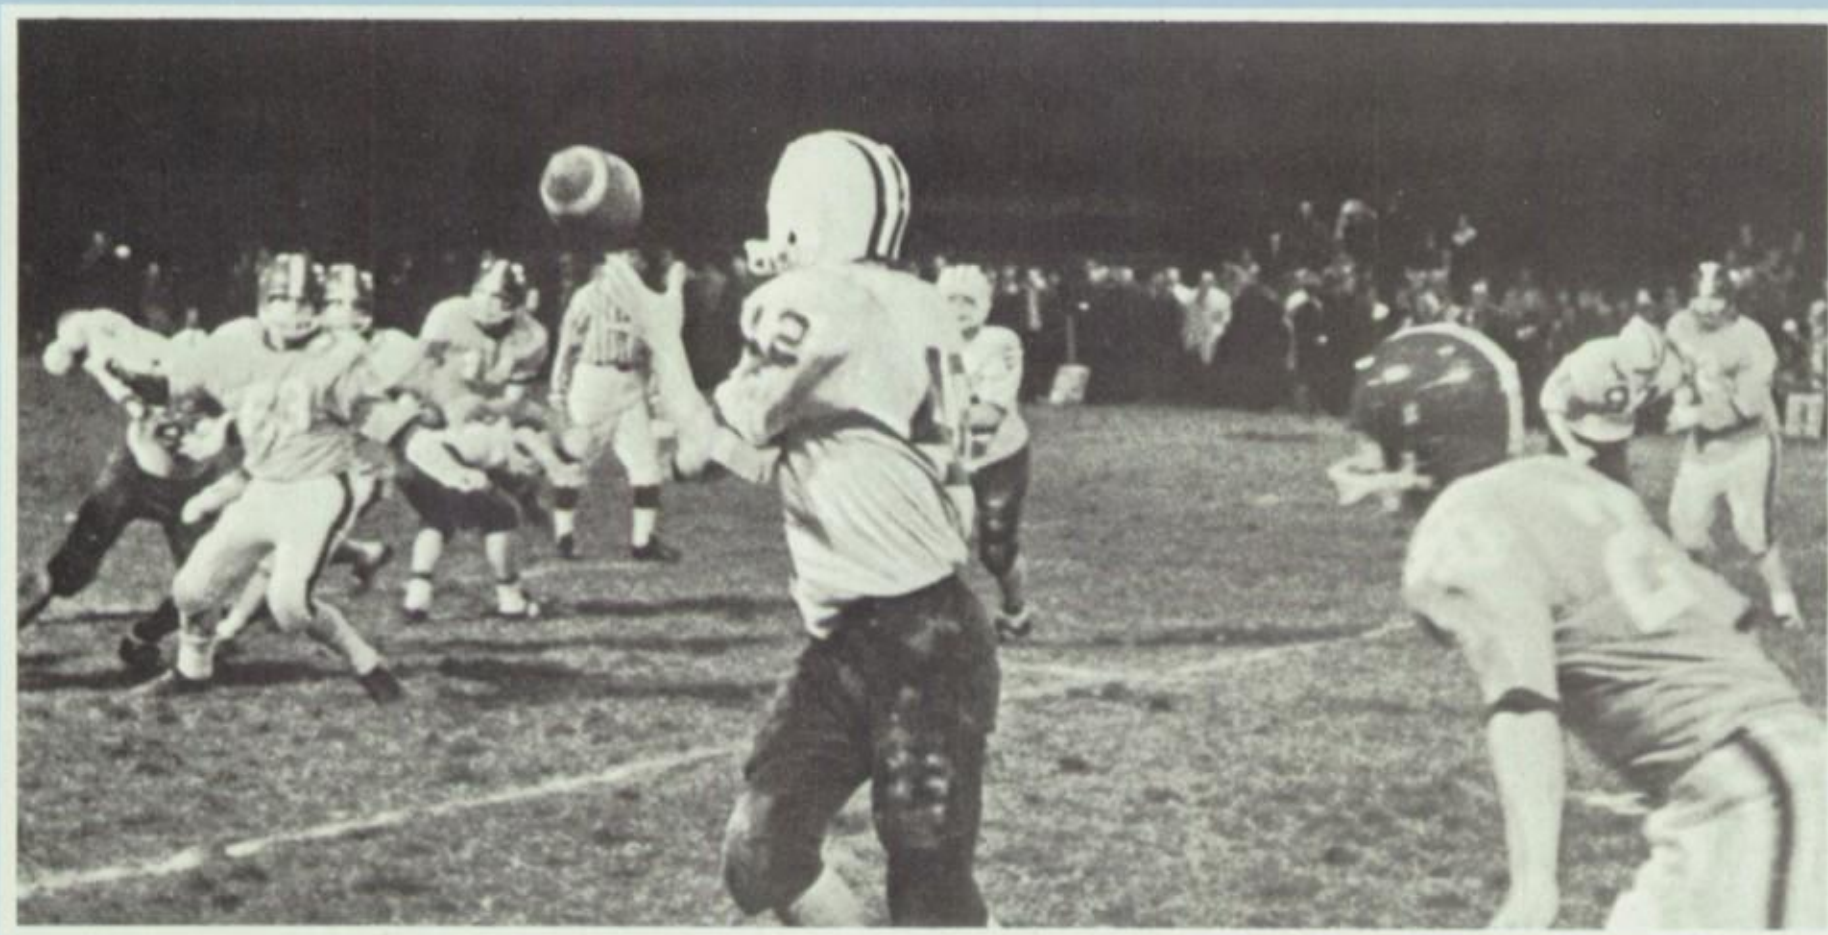

After the impressive Homecoming festivities, the Indian's domination resumed. The lone Green Hornet touchdown came late in the third quarter when Steve Troxell and Greg McCauley combined on a forty-four yard scoring pass. The final tally was a disappointing 55 to 7 loss for the Wilson Green Hornets.

Athlete Greg McCauley sparks our Green Hornet team with fine defensive plays.

Coaches Furr and Corbin prepare the Green Hornet's before the Ft. Defiance game.

Pass from quarterback Sam Simpkins to half-back Val Gochenour boosts Hornets in their struggle with the Indians.

YES or NO? Senior Curtis Doyle smiles as the ball apparently goes through the net.

Scores Fail To Reveal Hornets' Strength

COME TO PAPA, BABY!!! Greg McCauley puts the magic touch on the ball. David Killingsworth rushes in to see what develops.

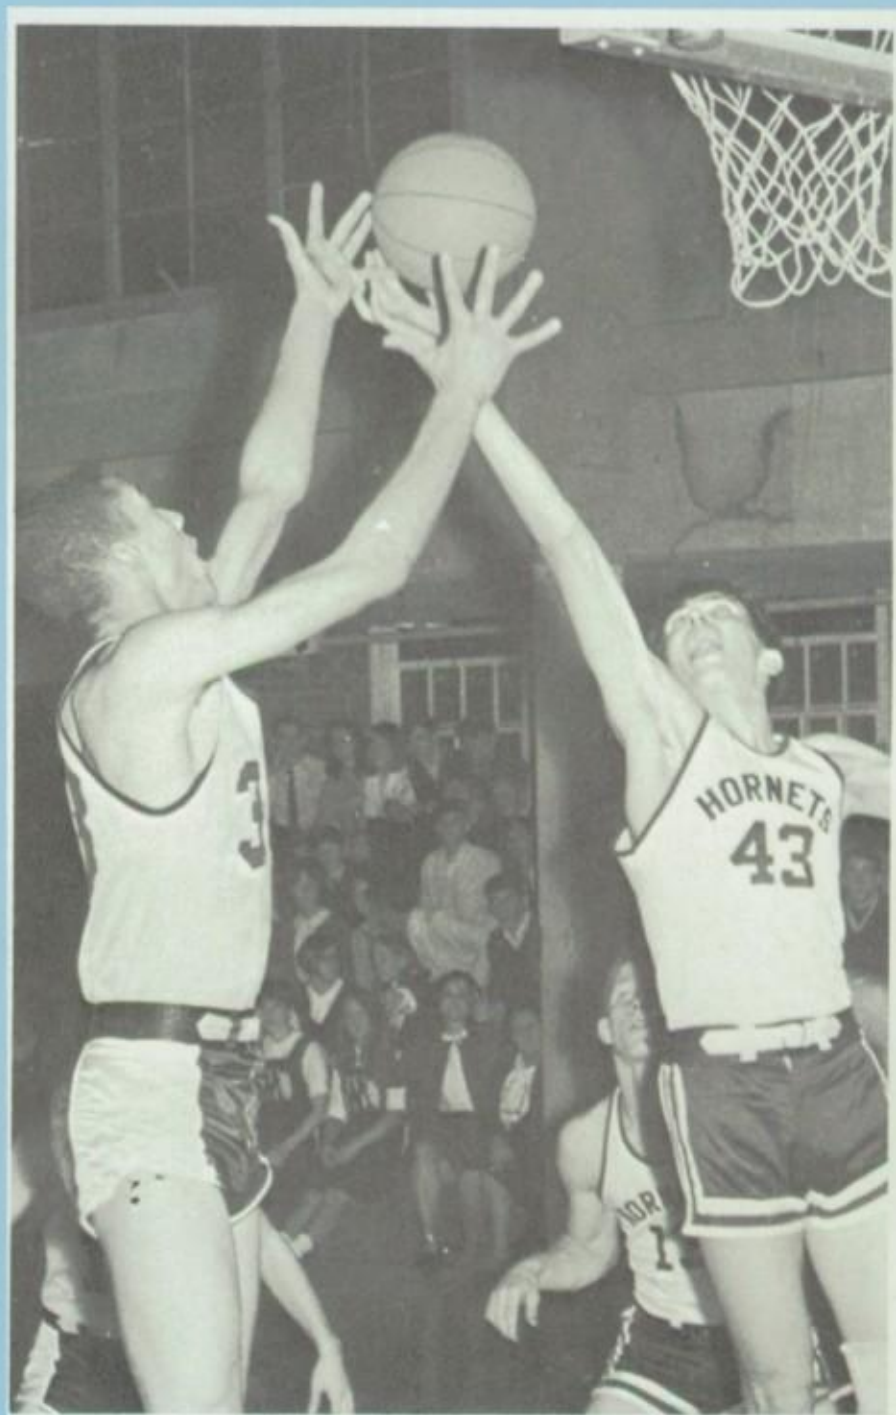

"TIE THAT KANGAROO DOWN MAN!" David Killingsworth has either shot the ball or is waiting for the rebound from Lee High No. 10. The Hornets fell in defeat to Lee High but never relinquished their challenge to fight.

DON'T YOU STEAL MY BALL!. .Phillip Sparks tries to make two points against Buffalo Gap.

"SINK IT KEITH, SINK IT!" Keith Smith, Green Hornet sophomore eyes the goal with hands on the ball in the Waynesboro game.

HIGH HURDLE RECORD SET. . . Joe Wingard set the school record of 15.2 seconds in the 120 yard High Hurdles.

'67 Team Changes

5 Track Records

Extra effort brought five new records to go down in the Wilson track books. The 440 record fell to Jim McCrea, who ran it in 52.5 seconds. The new record of 3:41.8 for Mile Relay was captured by Joe Wingard, Val Gochenour, Roger Sparks, and Jim McCrea. Joe Wingard set the remaining three records: 15.2 seconds in the 120 yard High Hurdles, 21.1 seconds in the 180 yard Low Hurdles, and in the High Jump 6 feet 4 inches. At the Rotary Relay at Bridgewater College, Joe set a new meet record in High Jump at 6 feet. Warren Koiner was third in the High Jump, and the Mile Relay team was fourth.

A TRIO OF TOP POINT SCORERS. . . Jim McCrae, Dennis Shuey, and Roger Sparks were top point scorers, Jim in the 440 and 100; Dennis, the Mile and 880; and Roger, the Low Hurdles. Dennis Shuey was a returning letterman for the '68 season.

Tommy Hollinger, Mark O'Baugh, and Warren Koiner seem amused at one another. Maybe they anticipate a completely successful season in track.

Good Hitting, Tough

The 1967 Green Hornet Baseball team can be summed up in five words: powerful hitting and tight pitching. The team ended with an 8-3 standing and a 2nd place in District 5 ratings. The Hornets won two games from VSD, and one each from Alleghany, Waynesboro, Buffalo Gap, Clifton Forge, Riverheads, and District 5 leader, Fort Defiance. They lost one game each to Rockbridge, Ft. Defiance, and Riverheads.

Steve Campbell, a Senior during the 1966-1967 sports year, led the team in hitting with his outstanding .414 average. A fellow Senior, Bill Campbell, had the next highest average of .333. Mark Patterson, a Sophomore, terrorized pitchers with his .395 average, and Curtis Doyle, a Junior, hit a .300 clip.

Doyle may have been generous with his hitting, but his stingy pitching helped Wilson win five games and only lose two.

The camera moves to the other side of the plate to get a picture of Steve Thompson at bat against Riverheads.

Girls Enjoy Varied Athletic Activities

In 1966-67 for the first time girls taking part in intramural sports were given an opportunity to earn a school letter by their senior year. A **Point System** was established to give girls credit for the sports in which they participate. They were awarded points for regular practice, participation in games, being members of winning teams, serving as captains, and being chosen as outstanding players. If a girl earned 60 points by her senior year, she earned the school letter. A modified number of points for the '66-'67 juniors and seniors was allowed. Dahle York was the only senior to qualify and be awarded a letter.

We Look Back On Unique Memories

The **Hornet's Nest** looks back on many unique memories of 1967-68. There are many of life's little extras that make the days easier. As we walked, studied, and thought together, we realized that all students are alike yet all different. Some of us have reached new dimensions of maturity. This was a year of experimentation and discovery for many, an ending to some and a beginning to others. Each day has brought us

closer to the views of others and has increased our understanding and acceptance of things unfamiliar. Our unique memories have filled every page of this book. In the following pages we picture a phase of our memories that make it all worthwhile. It is our sincere hope that this **Hornet's Nest** fills a place in life for you. The staff wishes each of you the best to come.
